

Fergus Pickles - Gower Ultra Marathon

Final donations for this 34 mile run last November amounted to £5,120, more than doubling Fergus' target. This enabled LTPT to send food vouchers worth £3,000 to help out 39 pre-schools in the last week of the Christmas term and the other £2,000 was transferred into the SHOP fund for the building planned to support the Langa Early Child Development Forum.

Nadia Petersen, our LTPT representative in Cape Town, along with her husband Clarence leads the team counting out the food vouchers for later distribution. Nadia wrote:

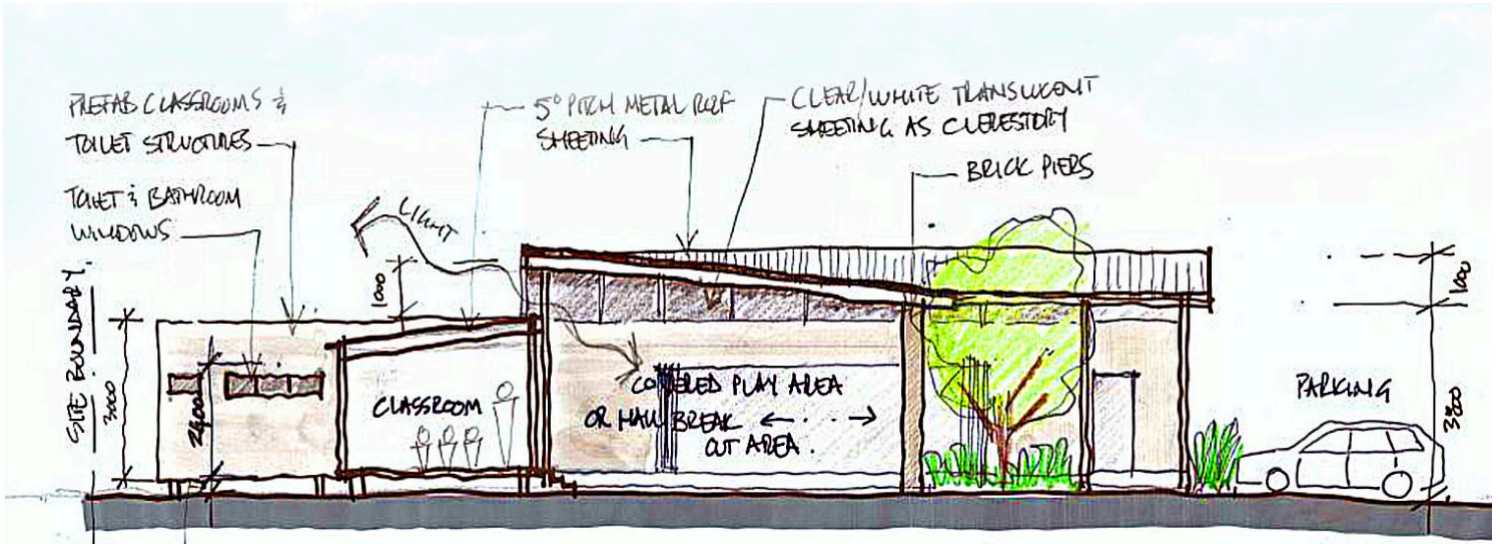

'The day was successful, we appreciate you Mr G you will never know how amazed the staff were to see that LTPT did this for Langa ECDs. People long for such assistance and we appreciate you and The Team.! 123 go LTPT CHEERS!'

Principals gathering to collect their vouchers. Yolisa Gqirani, the Nomonde Educare Administrator reports:

'Delivering vouchers to Principals in a hottest Day was a fruitful exercise. Everybody smiled when the ECD Forum Chairperson and her Committee gave each school the envelope. Since it was outdoors they couldn't open their envelopes and take out the vouchers because of their safety.'

Exciting Progress

One of the working sketches for the Resource Centre produced for Chris Beech, the Project Manager, by David Talbot of Platform, a Cape Town practice covering property, architecture and sustainability.

Agreement of these sketches with the Langa Early Child Development Centre is the essential first step in preparation for discussion with the City of Cape Town on the location of the building on public land within Langa Township.

The next Trio meeting to progress the project will be on 7 February (reference Newsletter 46 Page 1).
